

2021 Taoyuan Social Business Startup Competition

Brochure

Advisory Organizer: Taoyuan City Government, Taoyuan City Council
Organizer: Social Business Center of Taoyuan City
Government; Department of Youth Affairs, Taoyuan
Executive Organizer: Yunus Social Business Centre at National Central
University

I. Origin and Objectives

With increasing awareness of social innovation, cities all over the world are encouraging innovative solutions with which to resolve social issues. In order to encourage young people to engage in social business and create an era that supports both economic development and public welfare, the Taoyuan City Government was the first in Taiwan to set up the Social Business Center of Taoyuan City Government on September 30, 2017. Its sole responsibilities are to promote the concept of social enterprises while giving guidance to the young people regarding starting and managing a social enterprise. By organizing competitions, the Taoyuan City Government hopes to continuously discover promising, outstanding teams of social enterprises, to encourage young people to take part in social enterprises and to resolve social problems in Taoyuan City and across the nation by way of innovative creative business models. Rewards and platforms where Taoyuan youth can develop their creativity will be provided so that young people can co-create social value and exercise their impact.

II. Theme

We call for social enterprise business models that are innovative, sustainable and contain a social impact, targeting Taoyuan City's social problems and oriented towards the goal of resolving social problems or creating social values for the Taoyuan society.

III. Eligibility

- i. Contestants have to be under 45 years of age (born after January 1, 1976) and take part as a team. If the team consists of members younger than 20 years of age, they will have to submit the consent form of their statutory agents upon entering the final round.
- ii. Each team should consist of a minimum of 2 people and a maximum of 6 people. Each contestant can only be part of one team. The team can take part in the competition as a group or a non-profit organization or a company. Each person or organization can only sign up for one team and one competition category.
- iii. The teams that won the previous Taoyuan Social Business Startup Competitions in 2017 and 2020 cannot re-enter the competition with the same proposal.
- iv. Should the contestant be found to commit forgery or provide incorrect information, he/she will lose the eligibility to enter the competition.

IV. Competition Category

- i. Social Innovation Design Group: Those with ideas about how to resolve Taoyuan's local social problems and able to conduct analysis of those social problems and propose innovative and feasible solutions are welcome to take part.
- ii. Social Entrepreneur Group: Those concerned about Taoyuan's local social problems and able to propose products or services with feasible and marketable business models.
