

Escape room-Reflection

Pinocchio	Hey, guys, are you sure that we gonna give it a try? Escape room!!
Beast	Come on, you are already in.
Drizella	Yes, just step in. We gonna have fun.
Chorus	(Beat with the tempo) Do you want to play a game?
Game-master 1	Welcome, three of you. You are now here in the Escape Room-Reflection. You have to solve all of the puzzles before running out of time.
Pinocchio	Wait a minute, why do we become Pinocchio, Drizella, and the Beast
Game-master 2	As the theme implies, it shows what you are like right now. Once you complete the puzzles, you will go back to the real you, or you will be locked here forever. Do I make myself clear?
Pinocchio & Beast & Drizella	Are you se-ri-ous?
Game-master 1&2	Count down 5 minutes. The clock starts.
Chorus	5-4-3-2-1 Go!!
Pinocchio	Ok, here comes the first one. But look at all the letters on the puzzle. How can I relate it to those numbers on the door?
Beast	Let's see...we got brooms and dust pans here. I got it, we need to clean up the room before finding out the clue.
Drizella	What, clean the room. Don't be so silly. I actually got my favorite peanut butter with me; I can enjoy it while you do the cleanup.
Chorus	How lazy you are!
Pinocchio	It's a team work; we need to solve the puzzles together.
Beast	Don't just stand there with that look.
Drizella	Whatever, mind your own business. Oh man, the room is so messy. Spiders, rats, and cockraoches!! Gosh, something is biting me, and something else is climbing over my face.

Pinocchio	Oh man, it's gross. I can even see the leg of spider hanging on your mouth.
Beast	There is a rat around your "peanut butter".
Drizella	A rat!! I don't want to get Hantavirus. Go away.
Drizella & All	<i>Rats, Rats, go away. Come again another day. We all want to beat the game, Rats, Rats, go away. (sing)</i>
Pinocchio	Hurry up, we only got five minutes in total.
Drizella	Ok, ok, I will do the cleaning job.
Beast	We have done the cleanup, but we still can't figure out the puzzle.
Drizella	I have learned that I must be diligent, how about we line up all these letters to see what we can find.
Beast	Ok, D-I-L-I-G-E-N-T
Drizella	2 ! The door labelled with number "2" will be the exit.
Chorus	Be as diligent as an ant.
Game-master 2	Congrates, you beat the first puzzle. Go the the second puzzle, you got 3 minutes left.
Pinocchio	Oh man, the room is so dark, quite spooky.
Beast	Eww~~ what's the smell?
Drizella	Who farted?
Pinocchio	It's definitely not me.
Beast	Are you sure. You used to lie a lot.
Pinocchio	Whatever... You gonna thank me for lighting up the way (take out the lighter.)

Chorus	Boom!!!
Beast	What happened?
Drizella	Someone farted, it released biogas. And “boom” because Pinocchio took out the lighter.
Beast	Oh my, Pi, you are on fire.
Drizella	Of course, he is made of wood.
Chorus	Let’s put out the fire. Pull! Aim! Squeeze! Sweep
Pinocchio	Woo...I admit it. I admit it. I farted, but how could I hold it back?
Chorus	Bong! The exit is here for you.
Game-master 2	Congrates, you beat the second puzzle. The key point is to be honest.
Chorus	Be honest. Honesty is the best policy.
Drizella	Finally, we got the last puzzle.
Beast	How much time do we have now?
Pinocchio	Only one minute left.
Game-master 1	Now, the last puzzle. You need to put on a pair of shoes, run for 3 laps, and find the key to the exit door.
Beast	I gonna put on Vans. They are so cool.
Drizella	Don’t you think they are not suitable for running? We need to run fast.
Beast	Are you kidding me? I don’t care.
Pinocchio	Phew, Phew, can you go any faster?
Beast	Nope, I can’t. My feet are killing me. I sprained my ankle.

Drizella	Ha, ha, I told you so.
Beast	I will put on the simple pair of shoes and catch up you guys. You go first. Hey guys. Look what I have found? The key! It's just right under the simple shoes.
Pinocchio	See, don't be a blind follower and judge a book by its cover.
Chorus	All that glitters is not gold. It is inner beauty that matters.
Drizella	Guys. We are running out of time.
Pinocchio	Oops, 3 seconds left.
Chorus & Game-master 1,2& Pinocchio& Drizella& Beast	Chorus: Three Game-master 1: They run to the door with the key. Chorus: Two Game-master 2: They put the key in. Chorus: One Game-master 1: They wrench the handle Chorus: Time's up. Pinocchio: We left the room, Drizella :Switch back to the normal people. Beast: Left our past behind.
